V. MUTHUSAWMI DOSS,
*District Medical and Sanitary Officer.*

## PUBLIC WORKS WORKSHOP AND STORES, BANGALORE.

NOTICE.

It is hereby notified for the information of the public that in accordance with the Government Order No. G. 10201-3—G. M. 146-16-27, dated 25th January 1917, sanctioning the sale of a 20 H. P. Ford touring car belonging to the Government by public auction, the car in question will be sold by public auction at the motor garage (in Cubbon Park) on the 24th February 1917, at 9 A.M.

2. The auction will be conducted by the Superintendent, Public Works Workshop and Stores.

3. The car will be available for inspection at the Motor Garage during office hours on all days except Sundays and General Holidays.

4. Intending purchasers are invited to attend the auction at the appointed time.

5. The sale will be subject to the following conditions :—

(1) The car will be sold away to the highest bidder.

(2) In the case of private parties, the party whose bid shall be accepted should pay the sale amount in full in cash on the spot before delivery of the car, failing which, the car will be resold at the risk of the party concerned and any loss to result from the resale will be recovered from the first bidder.

(3) The car will be delivered to the party immediately after the sale is closed and amount is paid by the party.

(4) The party will make his own arrangements for removal of the car from the Garage.

(5) The responsibility of the office ceases with the delivery of the car to the party after the close of the sale.

In case of Government Officers, however, Government are pleased to allow the recovery of the sale amount on (6) instalments.

*Notice dated 20th January 1917.*

1. Notice is hereby given that separate sealed tenders will be received by the Superintendent, Public Works Workshop and Stores, Bangalore, up to the 5th March 1917, 12 noon for the supply of materials required for the use of the workshop for the period from 1st April to 31st December 1917, as mentioned under the several groups in the following list.

2. An approximate estimate of quantities required of each material under each group, is given against each item in the list. But the quantities are not guaranteed.

3. The parties are at liberty to tender for one or as many whole groups as they desire, but there should be a separate tender for each group; but they are not allowed either to split up the groups or tender for portions of groups or include more than one group in a tender.

4. Each tender should indicate the group number to which it relates in the list.

5. The tender for each group should be accompanied either in cash or currency notes, by a deposit of earnest money fixed for that group as noted in para 6 and should be submitted in a separate cover sealed and superscribed "tender for the supply of materials group No. for the Public Works Workshop, Bangalore for the period from 1st March to 30th June 1917." No tender failing to fulfil any of the above conditions will receive any attention.

6. The earnest money required for several groups of materials in the list are :—

| | | |
|---|---|---|
| 1. Belting and belt fasteners, etc. | ... | Rs. 100 (one hundred). |
| 2. Coal and coke .... | ... | „ 200 (two hundred). |
| 3. Cast iron pig and scrap | ... | „ 500 (five hundred). |
| 4. Hides and skin | ... | „ 50 (fifty). |
| 5. Metals | ... | „ 250 (two hundred and fifty). |
| 6. Paints and painter's stores | ... | „ 50 (fifty). |
| 7. Packing and jointing materials hydraulic and steam | ... | „ 50 (fifty). |
| 8. Tools and plant | ... | „ 100 (one hundred). |
| 9. Timber | ... | „ 100 (one hundred). |
| 10. Lubricants | ... | „ 50 (fifty). |
| 11. Hardware | ... | „ 200 (two hundred). |
| 12. Pipes and fittings | ... | „ 100 (one hundred). |
| 13. Miscellaneous | ... | „ 200 (two hundred). |

7. The final acceptance of the tender will rest with the Chief Engineer of Mysore who does not bind himself to accept the lowest or any tender or assign any reason whatever for the rejection of any tender.

8. The names of the successful competitors will be published on the notice board in the Superintendent's office in due course on receipt of orders accepting tenders. The group or groups for which a party's tender or tenders will be accepted will also be noted against his name on the notice board. No enquiries of whatever nature regarding the tenders will receive any reply.

9. The successful competitor (or competitors) will be required within eight days of the acceptance of his tender or tenders to execute a contract bond for the group or groups allotted to him in default of which his tender or tenders will be considered cancelled and his earnest money will be forfeited.

10. On acceptance of the tenders, the earnest monies on rejected tender or tenders will be return to the parties concerned. The earnest monies for the tender or tenders of the successful competitor or competitors will be returned to those concerned only when the supply is made satisfactorily throughout the entire period for which the contract is to run.

11. The successful competitor shall guarantee to maintain at Bangalore a stock of at least 50 per cent of the materials enumerated in the group or groups allotted to him in the list and shall comply with all indents made on him within three days of the order sent to him and follow the same procedure throughout up to 30th June 1917.

12. The rate tendered and accepted for each item shall include cost of delivery at the Stores of the Workshop and Stores Division and shall be binding on the supplier for the period from 1st to irrespective of all fluctuations in the market during the period. No charges will be allowed for carting, packing, etc.

13. Materials supplied by the party but found not to be up to standard in quality or in any respect will be rejected and the supplier shall remove and replace the same with fresh materials than and there at his own cost.

14. Should the successful competitor fail to supply the required materials or replace the rejected ones in time, the Superintendent, shall make other arrangements to procure them at the risk of the party should there be loss to Government and with no benefit should there be profit due to difference of rates as tendered and approved and as purchased.

15. Weights, sizes, etc., of materials supplied as scaled and acknowledged by the Chief Storekeeper on suppliers invoices will be accepted as final and no representation by the supplier of his weights, etc., being correct will be considered.

V. RANGASWAMY IYENGAR,
*Director of Industries and Commerce.*

## WATER-SUPPLY DIVISION.

*Abstract Notification, Camp Harihar, dated 28th January* 1917.

The attention of the public is invited to the notification dated 28th January 1917, calling for tenders for the supply of wall Telephone instruments up to 19th February 1917, published on page 83, Part IV of the *Mysore Gazette*, dated 1st February 1917.

*Notice dated the 12th February* 1917.

Notice is hereby given that sealed tenders will be received at the office of the Executive Engineer, Water-Supply Division, Bangalore, upto 3rd March 1917, 12 noon, for "Constructing the tunnel of Eleven vents in front of No. 6 Acqueduct" near Soldevanhalli Pumping Station. An approximate estimate of quantities is given below. The quantities are not guaranteed. The work should be completed by the 15th of June 1917.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's Office at Bangalore, between the hours of 11 A.M. and 4 P.M.

3. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rs. 100 (rupees one hundred only, in cash or Government Promissory Notes, as earnest money, and be superscribed "Tender for constructing the tunnel of Eleven vents in front of No. 6 Acqueduct, near Soldevanhalli Pumping Station," in default of which, tenders will be rejected.

5. The final acceptance of any tender will rest with the Superintending Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond; in default of which his tender will be considered cancelled and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the notice board in the Executive Engineer's office, in due course. No enquiries regarding the acceptance or rejection of the tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.
